[1] Separate figures on corporation and individual income and excess profits tax collections not available for the years 1918 to 1924.

[2] Includes income tax on Alaska Railway except in fiscal years 1935, 1936, and 1937, during which time these receipts were considered trust fund receipts. Also includes receipts from excise tax on corporations as follows: Fiscal year 1910, $20,959,783.74; 1911, $33,511,525; 1912, $28,583,259.81; 1913, $35,006,299.84; and 1914, $10,671,077.22; munitions manufacturers' tax for 1917, $27,663,939.63; and 1918, $18,296,927.32; also corporation income tax for 1925, $916,232,697 (separate figures for earlier years not available); 1926, $1,094,979,734; 1927, $1,308,012,532; 1928, $1,291,845,989; and 1929, $1,235,733,256.

[3] Includes income tax on Alaska Railways except in fiscal years 1935, 1936, and 1937; see footnote 2, above.
